

PARTICIPANT'S DECLARATION TO PREVENT PLAGIARISM

As a participant at MIND, it is your responsibility to abide by all its policies including those outlined in the Regulations and Standards Governing Assessment. MIND's emphasis on ethical academic practices as reflected in its Regulations and Standards, states that *plagiarism is totally unacceptable and will always result in a failing grade*. It also states that *coursework presented should not have been previously submitted for assessment on any other course*.

.....

I/we hereby declare that the work attached to this document is my/our original work and is being presented for the first time. I/we have acknowledged all the rules governing the referencing requirements as outlined by MIND. Not only have I/we not used another person's work without acknowledging the source, but I/we have not granted anyone permission to use this, my/our work, as his/her own.
