**Andrée Nembhard, MPA, NCOC, PCC**

Andrée Roxana Nembhard is an experienced CEO who has been president of her own consulting firm, Roxana Institute of Coaching, since 2006. She has served as Executive Director of the Education Transformation Team in Jamaica; Executive Chairman of the Sugar Industry Authority of Jamaica; Managing Director of the Petroleum Corporation of Jamaica; and Managing Director of the Jamaica Commodity Trading Company.

Andrée is an International Coach Federation Certified Coach and she leverages her formal training in leadership and management and her experience as a CEO with over 30 years' experience in the public and private sectors including having served on the boards of over 25 organizations to partner with and support her clients in growing their competencies and capabilities as leaders. As an affiliate member of the Harvard Institute of Coaching Professional Association at McLean Hospital, she has access to best practices in coaching, world-class coaching research and peer-reviewed journals. She is also a mentor coach for the Newfield Asia Certified Coach Training Programme based in Singapore in which she coaches and prepares her coachees for International Coach Federation certification.
